

# Measuring with Fractions

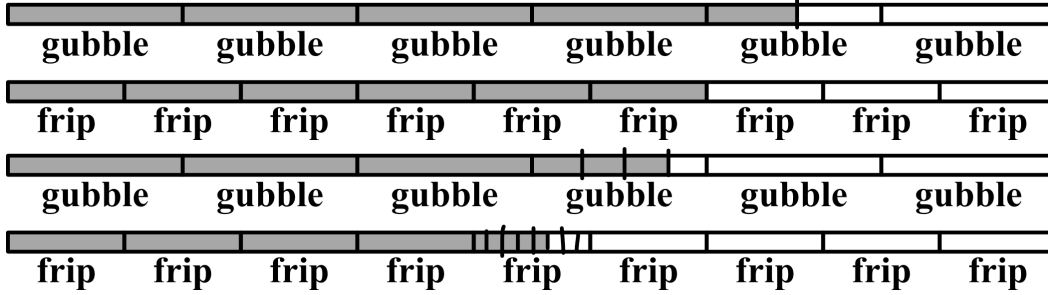

Wednesday 11/19/08

 = 1 gubble     = 1 frip

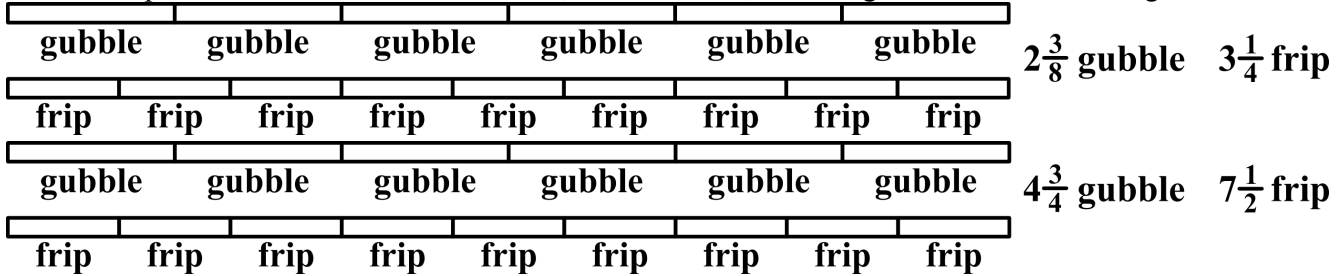

Name:  
Homeroom:  
Mr. Z.'s Science Class  
11/19/08

## Do-now: Review of mixed numbers

1. For each picture below, write the measurement that it represents.

2. Draw each pair of measurements listed below, and fill in a  $>$ ,  $<$  or  $=$  sign to show which is larger.

## Measuring dimensions

3. Fill in the width and height of each rectangle below. You will only have to use halves, quarters, and eighths.
